Background

The Saint Bernard Club of America (SBCA) is the official organization recognized by the American Kennel Club as the national parent club of the Saint Bernard. SBCA was incorporated in 1888, as one of the earliest AKC parent clubs. Our mission is to promote and protect the noble Saint Bernard. A breed that has been recognized with unique life-saving abilities and devotion as a companion for more than almost 400 years.

Our membership is about 500 members and associate members in the US. The SBCA's Charitable Foundation is a 501(c)(3) organization. Through the generosity of our members, we have sponsored research in the major diseases of our breed: cancers, heart disease, orthopedic issues, GDV, and neurological diseases for more than 40 years.

The National "SBCA Oktoberfest"

October 27-November 2, 2024

At The Ranch Events Complex and Blue Arena, Loveland, Colorado

Once a year, the SBCA has a "Gathering of the Clan" at various locations across the United States. Attendance at our National averages more than 150 Saint Bernards and 300 humans. A week of events is a major accomplishment with the costs of traveling, especially with a 180-pound dog or two! Activities are open to the whole community to watch free of charge and is going to take place at an extraordinary sports complex, The Ranch, Loveland, Colorado. It is a great opportunity for people to learn about our gentle Saint Bernards and the sport of dogs.

Examples of the various activities include:

- Conformation shows, rally and obedience trials
- Special working dog tests: Drafting, Carting and Weight-pull
- Canine Good Citizen, Temperament, and Trick Dog tests can be tried by all.

Notable in our week are the health clinics and research seminars conducted by major veterinary institutions, continuing education, and a special juniors' program for kids from ages 8-17. The opening ceremonies with decorated carts and Saints adorned in hats and flowers usually bring a smile and a tear to everyone's eyes. The event is open to all attending dogs, be they the National Best of Breed winner or a Saint that had finally found their forever home.

Our website, SBCANational.com will give you lots of information about the week and how to make hotel reservations. Check the website monthly since we are adding data every few weeks.
