Working Dogs Working Bitches

The SBCA created a non-regular class (one for Dogs and a one for Bitches) at the National Specialty Show called the "Working Dog Class." The class shall be placed following the competition for Winners Dog/Bitch and immediately before Veteran dog/Bitch. The criteria for entering the class is as follows:

1) Any dog or bitch entered in these classes must have achieved any of the approved SBCA Working Dog titles, for example, Draft Dog (DD) or Weight Pull (WP). 2) Any Dog or bitch winning entered in these classes **must be intact**. 3) Any dog or bitch winning first place in these classes will be eligible for competition in the Best of Breed Class.

BEST OF BREED COMPETITION: The following categories of dogs may be entered and shown in Best of Breed Competition: Dogs that are Champions of Record, and dogs that according to their owner's records have completed the requirements for a Championship but whose Championships are unconfirmed. The showing of dogs whose Championships are unconfirmed is limited to a period of 90 days from the date of the show where a dog completed the requirements for a Championship according to the owner's records. AKC Select Dog and Bitch and AOM will be awarded following Best of Breed.

Non-Regular Classes Involving Multiple Dog Entries

Note: Non-regular classes involving multiple entries may be judged before or after Best of Breed. As the judge's decision in these classes will be based on the merits of more than one dog, no one of the dogs making up the entry judged first in the class will be eligible to compete for Best of Breed or Best of Opposite Sex to Best of Breed by virtue of having won the class.

Stud Dog Class and Brood Bitch Class: Each entry is allowed two get. The merits of the Stud Dog or Brood Bitch are not considered in the placement of the entry. It is the quality of the get that forms the basis for the judge's decision. All get must be examined and gaited. The Stud Dog or Brood Bitch must also be examined to determine if there is a condition that would require disqualification or excusal under the Rules, AKC policy or the breed standard. All get must be entered in a regular class in order to be eligible to compete in the Stud Dog or Brood Bitch Class. Handlers of the Stud Dog or

Brood Bitch, and all get being exhibited, must wear armbands. Ch. 11, Sec. 8 of the "Rules Applying to Dog Shows" provides that "a castrated male may be entered as a Stud Dog in the Stud Dog Class and a spayed bitch may be entered as a Brood Bitch in the Brood Bitch Class."

Brace Class: Two Dogs, performing in unison, and presented by a maximum of two handlers. Both dogs competing in the brace class must have at least one common owner. Dogs do not need to be entered in any other class. Dogs comprising a Brace Class must be named at the time of entry, and full particulars must be given for each dog on individual entry forms. If a dog which is to be part of a Brace is not entered in another class, it must be entered for "Brace Class only." SPECIAL RECOGNITION

AWARD OF MERIT

Up to 10% of dogs entered for Best of Breed may, at the judge's discretion, receive Award of Merit, excluding the Best of Breed, Best of opposite Sex to Best of Breed, Select Dogs, Select Bitch, Best of Winners, that by virtue of their placements, have already been recognized.

AKC NATIONAL OWNER-HANDLER SERIES - The Owner-Handled Best of Breed will be selected from eligible dogs that competed in the Best of Breed competition. This includes Winners Dog, Winners Bitch, and the undefeated winners of the non-Regular Classes. This excludes all dogs defeated during Regular Classes and winners competition.

BEST PUPPY IN SHOW COMPETITION will be selected following the completion of Best of Breed. Eligible for competition will be the first-place winners from the 6-9 month, 9-12 month, and Bred-By Exhibitor Dog and Bitch Puppy Classes.

BEST BRED BY EXHIBITOR IN SHOW COMPETITION

Best in Bred by Exhibitor will be selected from the following the completion of Best in Puppy Classes. Eligible for competition will be the first place winners from the Bred by Exhibitor Dog and Bitch Classes (Puppy and Adult). If one of these should be awarded Best of Winners, there would not be further completion, and the award would go to the Best of Winners.

BEST VETERAN IN SHOW COMPETITION

Best Veteran will be selected following the completion of selection of Best Bred By Exhibitor. Eligible for competition will be the first place winners from all Dog and Bitch Veteran Classes. If one of these should win an award of Best of Breed competition, there would not be further competition and the veteran winning the highest award in Breed competition would also win Best in Veteran Classes.

JUNIOR SHOWMANSHIP

NOVICE CLASS: For boys and girls who are at least 9 years old and under 18 years old on the day of the show and who at the time entries close have not won three (3) first place awards, with competition present, in a Novice Class. A first place in Novice without competition leading to a Best Junior award with competition would count as one win towards moving to Open at a licensed or member show.

OPEN CLASS: For boys and girls who are at least 9 years old and under 18 years old on the day of the show, and who have won three first place awards in a Novice Class or if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open in a licensed or member show. Juniors which according to their records have completed the requirements to compete in the Open class but whose status is unconfirmed by the American Kennel Club are limited to competing in the Open Class for a period of 90 days from the date of the show where the Junior completed the requirements according to their records.

MASTER CLASS: This class will be for boys and girls who are at least 9 years old and under 18 years on the day of the show, and who have 10 Best Junior wins with competition. The calendar for this class will be consistent with the eligibility dates for the AKC National Championship. All Juniors meeting the criteria for this class are required to enter the Master Class and may change their entry the day of the show if entries have already closed. Once the eligibility time frame for that year has passed all participants return to the Open Class to compete for the following year.

NOTICE: Junior Handlers must include their AKC JUNIOR HANDLER NUMBER on each entry. You may obtain your junior identification number by calling the AKC, Judges Education Department, 919-233-9767. BE SURE ALL INFORMATION for Junior Showmanship Classes is entered on front and back of entry form.

2024 NATIONAL HEALTH CLINICS

We are so fortunate to be able to offer 3 important health clinics at (in conjunction with) our 2024 National. Please note, even if you do not desire an OFA CHIC number, the opportunity to have these tests performed is so important to your Saints quality of life (QoL). If the 'echo' finds any heart disease issues (DCM, PS, CHF, MVD) before the onset of symptoms, your chances to give your Saint a better chance to have a good QoL, with medications, is greatly improved.

Finding eye issues early is also very important. Issues such as juvenile cataracts or entropion, which can cause corneal scarring and lead to blindness, these diseases can be effectively dealt with by surgical invention. By identifying hips and elbows issues early, your veterinarian can treat and improve the Saint's QoL.

(If you need any information, please email Dr. Whitfill at nicholewhitfill@gmail.com)

- Dogs must not be tied to bushes, scrubs, trees, or other permanent fixtures. The Saint Bernard Club of America ("SBCA"), the "host hotels", The Ranch Event Complex, and Show Superintendent will not be responsible for the loss of damage to any dog exhibited or possession of any exhibitor, whether the result of an accident or any other cause. It is distinctly understood that every dog at these events is in the care and custody of his owner or handler during the entire time the dog is in the show buildings, grounds, or host hotels.
- The welfare of an exhibitor's child is assumed to be the responsibility of the exhibitor. It is distinctly understood that exhibitors will exercise control and restraint over their children on the days of the events.
- All persons attending this Specialty Show's events hereby waive any claim for damages against SBCA or its members in the event that a motor vehicle or crate must be entered to rescue a dog from overheating, suffocation, or bodily injury. SBCA regards the health, safety, and life of any dog on the show grounds to be paramount to other property or privacy rights. We will attempt to reach the responsible party but cannot guarantee contact will be made before prudent action is taken.
- Identification labels will be available for all attendees and will be available at the Show Info Table. Each crate must be labeled for identification in case of emergencies.
- SBCA, "host hotels" and The Ranch Event Complex will not be responsible for any lost or damaged items left at the show site.
- SBCA may decline entries for cause and may refuse to receive or may remove any dog on account of disease, viciousness, or any other cause in accordance with AKC rules and regulations. No one shall have any claim or recourse against the SBCA or any official thereof.
- No dogs shall be left unattended on a grooming table. X-pens are only to be used in the RV camping locations

AKC Code of Sportsmanship

PREFACE:

The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
